

AMENDMENTS

Please amend the application as follows:

IN THE CLAIMS:

Please cancel claim 33 without prejudice to prosecution in a continuation application.

Please amend claims 30-32 as indicated in Appendix A. The amended claims then read as follows:

30. (Amended)

The composition of claim 26, wherein the binding pair is an enzyme-enzyme substrate pair.

31. (Amended)

The composition of claim 26, wherein the binding pair is an antibody-antigen pair.

32. (Amended)

The composition of claim 26, wherein the binding pair is a biological receptor-ligand pair.
